Proceeds to  
Prevent Child Abuse Rowan  
& The Terrie Hess House

Child physical and sexual abuse is a pervasive problem in every community and The Terrie Hess House Child Advocacy Center seeks to help end the cycle of abuse that too many families experience.

Since opening in 2005, The Terrie Hess House has grown to help over 200 children and their families each year get through one of the toughest times in their lives. It is the mission of The Terrie Hess House to provide services for each child victim it sees, with absolutely no cost to the family.
